

# TANGO CHARITIES Private Feed The City Events

Feed The City was started in 2015 as a monthly volunteer opportunity for individuals to come together at a local venue to make lunches for needy people.

Over 1,500 Feed The City events have welcomed over 90,000 volunteers in 5 countries, 14 states, and 59 cities, providing over 6.7 MILLION meals to needy people. The event is led and hosted by volunteers dedicated to the fight against hunger. Companies, religious groups, schools, and organizations have also hosted pop-up events in their communities.
